Welcome to your Camp Era!

Westfield Area YMCA Summer Day Camps

provide safe, engaging, fun and meaningful camp experiences with enriching activities, fitness, and social and emotional learning for children ages 3-15. Campers enjoy a variety of activities and themes every day with friends and peers exploring math, science, arts, sports, nature and global diversity. Our curriculum promotes teamwork, enhances self-esteem and builds skills while incorporating the Y core values of caring, honesty, respect and responsibility.

Our staff receive over 20 hours of pre-camp training including certification in CPR for the Professional Rescuer, First Aid with EpiPen administration, asthma inhaler training, anti-bullying prevention, behavior management, child abuse awareness and much more. We also have a full time first responder on staff for summer camp.

Our camps are accredited by the American Camp Association and meet up to 300 standards for health, safety and program quality.

For any questions regarding camp, you may contact the Welcome Center at 908-301-YMCA (9622) during operating hours or the **Camp Information Hotline** at x405. Leave your name, phone number, age of your child(ren) and a brief message...a member of our camp team will get back to you!

DELILAH HARRINGTON

Began camp at the Westfield Area Y in 2012 and became a counselor in 2021.

"When I was younger, I loved coming to the Y and I was always excited to go. The counselors always made sure we had fun and I grew good connections with them, which made me want to become one myself. I come back every year because it's a good working environment and I enjoy it a lot."

INCLUSION CAMP PROGRAM

Offered weeks 2-8

Camp is fun for everyone! At the Westfield Area Y, we believe camp should be inclusive, providing as many opportunities as possible for children to join in the camp fun. The Inclusion Camp Program helps us to achieve this goal by operating within the traditional Y camps each summer. Each camper who qualifies is matched with an aide who is able to provide support as needed throughout the camp day. Some examples of modifications/accommodations our aides are able to provide are:

- Opportunities for breaks from the main group/activity
- Picture schedules/interactive schedules
- Direct prompts and assistance when preparing for transitions
- Use of sensory toys
- Extra time for transitions

In an effort to extend this opportunity to as many children as possible, we are only able to guarantee that an aide will be assigned to a camper for two weeks of camp. Beyond two weeks, we can only offer support if we have appropriate staff available. If you believe your child might benefit from our Inclusion Program, please reach out to us as soon as possible to see if we can provide the appropriate support needed to help your child have a fun, and successful, camp experience!

Contact Carly Kaplan, Inclusion Camp Director, at ckaplan@westfieldynj.org or Marty Collett, Senior Director of Child Care Services, Camps and Teens at mcollett@westfieldynj.org or 908-301-9622 x223 by April 1.

Funded in part by the Lisa Beth Gerstman Foundation and Autism Speaks.
