OUR AREAS OF IMPACT

Youth Development

Next to housing expenses, child care expenses are generally the single largest monthly expenditure for working parents. Yet for many families, high quality early learning and after school programs are out of reach financially at a crucial time in a child's development.

Healthy Living

Social isolation and financial stresses have led to an increase in risky behaviors and less healthy exercise and eating habits for people of all ages. At the Y, we offer programs that strengthen people physically as well as classes that sharpen people's minds, helping them achieve wellness in spirit, mind and body.

Social Responsibility

The Y welcomes people of all ages, races, religions and backgrounds and supports those who need us most. Our donors, members, volunteers, and staff demonstrate the power of what we can achieve by giving back together. We invest in the health of our community.

Westfield Area YMCA Annual Support Campaign

Strengthening the communities of Cranford,
Garwood, Mountainside and Westfield since 1923.

100 YEARS OF SERVING STRONG KIDS OF EVERY AGE, NEED, AND GENERATION

In 2023 the Westfield Area YMCA celebrates 100 years of service to the community. Throughout our long history, the Y has provided programs and memberships that help people thrive, regardless of age, sex, religion, race or economic circumstance.

Thanks to the Strong Kids+ Annual Support Campaign, financial assistance is available for those with a bona fide financial hardship that live or work in Westfield, Cranford, Garwood or Mountainside, NJ.

The majority of financial assistance awards enable children to attend the Y's early learning, school age and summer camp programs.

PLUS, awards also enable families and seniors to benefit from Y wellness opportunities like aquatics, sports and fitness classes.

PLUS, youth, teen, senior and special needs programs are subsidized to ensure they are available for all.

GIVE TODAY

Your gift will help young people achieve their potential, empower people of all ages to lead healthier lives, and strengthen the bonds of our community.

Membership and program fees do not cover the cost of such vital Y programs as child care, camp, youth and family, teen and senior programs. That's why we rely on the support of individuals, foundations and corporations.
