FREQUENTLY ASKED QUESTIONS

Who is eligible to receive financial assistance?

Individuals or families who:

- cannot pay program or membership fees and meet specific financial guidelines
- live or work in the Westfield Area Y service area of Cranford, Garwood, Mountainside or Westfield
- have proof of legal residency or U.S. citizenship

How are financial assistance amounts determined?

The Y has a sliding fee scale based on total household income and number of dependents. Extenuating hardships are also taken into consideration.

When can I expect to receive financial assistance?

The process may take 2-4 weeks after we have received your completed application and the required documents. Please note that financial assistance is not official until you have received written notification from the Y, and must be approved prior to enrolling in child care and camp programs.

How long will my financial assistance continue?

The need for financial assistance will be reassessed periodically and at least annually for memberships and programs. Assistance for child care applies only to the current school year. Repeat applications may result in a smaller amount of financial assistance offered.

What are my responsibilities as a recipient?

You are required to make payments according to your payment schedule. Please notify the Y immediately if you no longer need our support or are unable to use the services we provide as there are others in the community in need and our funds are limited.

How is the financial assistance program funded?

The Y raises money through the ongoing work of volunteers and staff and thanks to the generosity of individuals, foundations, service clubs and corporations through the Annual Support Campaign. Additionally, contributions from the Westfield United Fund and the Westfield Area Y Endowment Fund help subsidize child care, youth, teen and senior programs.

Financial Assistance Application Westfield Area Y

Strengthening the communities of Westfield, Cranford,
Garwood and Mountainside since 1923.

Dear Friend,

At the Westfield Area Y, you can improve your health, enrich your family's life, and feel more connected to the community.

Each year, hundreds of volunteers raise funds for our financial assistance program. This program ensures that no one is denied a chance to participate at the Y because of their inability to pay.

Our goal is to help as many people in need as possible. As such, each request for financial assistance is evaluated individually, and financial assistance cannot be provided for extended periods of time. If you are in need of assistance for long-term services, I encourage you to contact the Department of Social Services.

All applications are kept confidential. We will contact you within 2-4 weeks of receiving your completed application and support materials to discuss your request.

Everyone is welcome at the Y. Please do not hesitate to contact me if I can be of further assistance.

Sincerely,
