IN-CAMP SUPPORT Offered weeks 2-8

Camp is fun for everyone! At the Westfield Area Y, we believe camp should be inclusive, providing as many opportunities as possible for children to join in the camp fun. In-camp support helps us achieve this goal by operating within the traditional Y camps each summer. Each camper who qualifies is matched with a counselor who is able to provide support as needed throughout the camp day. Some examples of modifications/ accommodations that can be provided are:

- Opportunities for breaks from the main group/activity
- Picture schedules/interactive schedules
- Direct prompts and assistance when preparing for transitions
- Use of sensory toys
- Extra time for transitions

In an effort to extend this opportunity to as many children as possible, we are only able to guarantee that a counselor will be assigned to a camper for two weeks of camp. Beyond two weeks, we can only offer support if we have appropriate staff available. If you believe your child might benefit from our in-camp support, please reach out to us as soon as possible to see if our staff would be able to provide the appropriate support needed to help your child have a fun, and successful, camp experience!

Contact Carly Kaplan, Inclusion Coordinator, at ckaplan@westfieldynj.org or Marty Collett, Senior Director Child Care Services, Camps and Teens, at mcollett@westfieldynj.org or 908-301-9622 x223 by April 1.
