Dear Friend,

At the Westfield Area YMCA and Cranford YMCA, we believe everyone should have the opportunity to improve their health, enrich their lives, and feel more connected to the community. Every year, our Y counts on the generosity of donors to raise funds for our financial assistance program so that no one who qualifies is denied a chance to participate at the Y because of their inability to pay.

Our goal is to help as many people in need as possible. As such, each request for financial assistance is evaluated individually and cannot be provided for extended periods of time. If you are in need of assistance for long-term services, I encourage you to contact the Department of Social Services.

All applications are kept confidential, and you will be contacted within 2-4 weeks from us receiving your completed application and support materials to discuss your request.

Everyone is welcome at the Y. Please do not hesitate to contact me if I can be of further assistance.

Sincerely,

Susan M. Morton President/CEO

Frequently Asked Questions

What is the financial assistance program?

Financial assistance is available for Westfield Area YMCA and Cranford YMCA programs and memberships to individuals and families with a bona fide financial hardship. Financial assistance provided by the Y helps children, teens and their families; seniors on fixed incomes; individuals with special needs in need of exercise; single parents struggling to make ends meet; working families suffering from health issues; and so many others.

Who is eligible to receive financial assistance?

Financial assistance is available to individuals or families who have submitted complete applications with required attachments and:

- cannot pay full program or membership fees and meet specific financial quidelines
- live or work in the Westfield Area YMCA service area of Cranford, Garwood, Mountainside or Westfield

How are financial assistance amounts determined?

The Y has a sliding fee scale based on total household income and number of dependents. Extenuating hardships are also taken into consideration. If financial assistance is awarded, it is usually for a percentage of the total cost of the program and/or membership fees, and you will be responsible for the remaining portion. When Y program, membership and/or child care fees change, so may your remaining portion.

What are my responsibilities as a recipient?

You are required to make payments according to your payment schedule. If payment is not received, your assistance may be cancelled. Please notify the Y immediately if you no longer need our support or are unable to use the services we provide as there are others in the community in need of our assistance. Should there be any change to the information in your application, including the members of your household or financial circumstance, a new application is required.

How is the financial assistance program funded?

The Y raises money through the ongoing work of volunteers and staff and thanks to the generosity of individuals, foundations, service clubs and corporations through the Strong Kids+ Annual Support Campaign. Additionally, contributions from the Westfield United Fund and earnings from the Westfield Area Y Endowment Fund help subsidize child care, youth, teen and senior programs.
